

## Homework- Summer 2

In this grid you will find a number of optional homework tasks to complete over this half term. All of the activities are linked to the topics for the term and is ADDITIONAL to the weekly spellings, times tables and reading homework that the children receive. We can't wait to see what you produce!

### Task

**Geography:** Research about the water cycle, drawing an accurate example of a diagram showing how we never run out of water.

OR

Create an experiment at home to demonstrate an element of the water cycle, e.g. condensation or evaporation.

**Science:** Draw examples of a complete and incomplete circuit, labelling the components.

**English:** Write a setting description of one of your favourite places.

**Art:** Create your own sock puppet for a child in your family or family friend.

**PE:** Send a photo or video through Dojo of you taking part in a sport, activity or after school club. Get out there and try something new!
