

Homework- Summer 1

In this grid you will find a number of optional homework tasks to complete over this half term. All of the activities are linked to the topics for the term and is ADDITIONAL to the weekly spellings, times tables and reading homework that the children receive. We can't wait to see what you produce!

Date	Task	Home comment	School comment
Week 1	Geography: Research the water cycle and design your own version of the water cycle with explanations for each stage. (Poster/3D version/Using technology) Be as creative as you like!		
Week 2	Science: Create a fact file all about Electricity. How is it generated? What are renewable sources and what are non-renewable?		
Week 3	English: Write an explanation about how a device in your home works. Include a labelled diagram.		
Week 4	Art: Research a famous artist and have a go at reproducing ones of their most famous paintings. It could be an artist we have studied (like Hokusai) or a completely new one.		
Week 5	PE: Send a photo or video through Dojo of you taking part in a sport, activity or after school club. Get out there and try something new!
